## Summary

---

Ever since 2021, the design has been a passion for me, and it has since become my job. I put my emotions into the work I do, creating strong pieces. I am lucky to be doing the job I love to make a living. I don't do my job just to earn money, I do it because I enjoy it. I am always open to new ideas, styles and my goal is to be able to please and surprise the people I work with. The design is subjective work and I give a 100% guarantee that you will like the work I put out. I'd love to work with you using the latest trends, on the work stated below: - Web design (UI and UX) - Mobil App design (Tablet, Mobile, iPhone, iPad, Android) - Product design - Landing Pages - Psd to Html (Front-end development) - Sketch to Html (Front-end development) I look forward to communicate with you and discuss your digital product needs and my ability to meet them.
